*For Federal Employees Who Maintain Dual Status as American State Nationals  
and United States Citizens While in Federal Employment*

I declare that I am the owner and operator of my vessels on Earth from the moment my zygote first formed, together with all DNA and all substance matter in any way associated with me and my incarnation, and I further declare that I accept my divine origin and all honor, right, title, and material interests I am owed;

I declare my political status as an American state national born within the physical borders of \_\_\_\_\_;

I declare under penalty of perjury under the Public Law of The United States of America that I reject, renounce, and remove all Powers of Attorney granted by me or issued under my name prior to this day;

I declare under penalty of perjury under the Public Law of The United States of America, that I reject, renounce, and remove all and any allegiance to any king or prince, any foreign state, foreign government, flag or thing that is not subject to the Constitutions owed to The United States of America and its member States of the Union;

I declare under penalty of perjury under the Public Law of The United States of America, that I have never knowingly, willingly, and voluntarily pledged myself to any incorporated entity at all, including but not limited to any incorporated church, synagogue, mosque or temple, for any purpose other than traditional and lawful employment;

I declare under penalty of perjury under the Public Law of The United States of America, that I have never knowingly, willingly, or voluntarily pledged myself to any foreign sovereign or separated myself from my birthright political status as a condition of employment and explicitly say that I wish to retain my State National Status and to act as a United States Citizen while employed by any Federal Department, Agency or Organization;

I declare, publish, and affirm under penalty of perjury under the Public Law of The United States of America that my house is established in \_\_\_\_\_ County and my home is established in Connecticut and no other presumption or impersonation of my house or my home as real estate is allowed and no entitlement to my private property is granted as a condition of Federal Employment or as any condition of dependency;

I declare under the aforementioned penalties that I am a Lawful Inheritor, Landlord, Keeper, and Guardian of these United States, now and always while my tenure on Earth shall last — and I present this Declaration of the Naturalization Act of 1779 and place it upon the Public Record of the Connecticut Assembly.
